

ST. MORITZ with PRAGUE option

March 2 – 10, 2012 / \$1,879 per person

Spend a fabulous week in the world-renowned ski resort town of **St. Moritz**, which lies on the south side of the Alps, in the Engadine Valley at 6,000 feet above sea level. The highest mountains of the eastern Alps are in the Upper Engadin, so St. Moritz has great snowfall combined with an average of 322 days of sunshine.

St. Moritz is influenced by three cultures: those of the German-speaking majority of its residents, the romanish-speaking population of the Engadine and the nearby Italians. St. Moritz has dining and entertainment options to suit anyone's tastes. Catch a movie at the local theaters or enjoy the captivating atmosphere in the Casino St. Moritz. In 1928 and 1948 St. Moritz was the host of the Winter Olympic Games and just played host to the Ski World Championships this year. Numerous ski and bobsleigh world championships, as well as other important winter sports events, together with the famous names of its guests, have all contributed to the unique worldwide fame and prestigious position of St. Moritz—Should we even mention the incredible shopping?

Stay at The 4****—just a few blocks from the center of St. Moritz Dorf. The hotel is just a short stroll from the stylish boutiques, restaurants, cafes, and just minutes via ski bus from the Corviglia Lift - the gateway to the area's most popular ski region. All bedrooms are furnished in a traditional style, utilizing accents of Engadine pine, with SAT TV, phone, and minifridge. The Hotel's other facilities include the indoor heated pool, fitness room, steam room/sauna, and a friendly bar for après ski cocktails.
